

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF BRACKEN COUNTY WATER)	
DISTRICT #1 FOR A CERTIFICATE OF PUBLIC)	
CONVENIENCE AND NECESSITY TO CONSTRUCT)	CASE NO. 94-211
AND FINANCE A WATER STORAGE TANK)	

O R D E R

On October 12, 1994, Bracken County Water District #1 ("Bracken Water") filed a letter requesting a deviation from the requirements of 807 KAR 5:001, Section 10(4)(c)(3). The Commission will treat Bracken Water's letter as a motion to deviate.

807 KAR 5:001, Section 10(4)(c)(3), requires notice to the utility's customers by publication of the notice once a week for three consecutive weeks in a prominent manner in a newspaper of general circulation in the utility's service area, with the initial publication to be made within seven days of the filing of the application with the Commission. Bracken Water's motion states that the first advertisement was printed on September 15, 1994. The newspaper inadvertently failed to run the notice the following two weeks but has agreed to print the advertisement for three consecutive weeks beginning October 6, 1994. Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that good cause exists to grant the deviation.

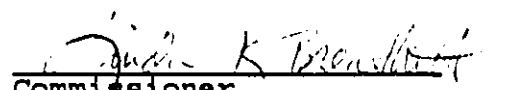

IT IS THEREFORE ORDERED that Bracken Water's request for a deviation from the requirements of 807 KAR 5:001, Section 10(4)(c)(3), is granted.

Done at Frankfort, Kentucky, this 18th day of October, 1994.
